PORT OF THE DALLES AGENDA ITEM COVER SHEET

Meeting Date: December 11, 2019

Subject: F-3.) Policy on the Prevention of Workplace Discrimination, Harassment, and Retaliation

Background:

Fellow Commissioners, I've reviewed this policy, along with SDAO/SDIS response to my questions. Frankly, I'm not entirely satisfied with being told that the answers, to some of my questions would require legal advice, at our cost, I'm not going to spend any more time on the issue.

Our insurance contract requires our insurer to indemnify us, and defend us, so, if some liability would come from our adoption of this policy, it will ultimately be their problem, at least financially.

Given the above, I suggest the following motion:

"I move that Port of The Dalles adopt the presented "Prevention of Workplace Discrimination, Harassment, and Retaliation (Oregon Public Sector) policy as presented, in order to protect our insurability, as required, by them."

Given current Federal and State law, I'm wondering why this is even necessary.....

Port of The Dalles has, as long as I have been involved, always treated people with respect!

Commissioner Courtney

STAFF RECOMMENDATION:

Motion to adopt Policy on the Prevention of Workplace Discrimination, Harassment, and Retaliation

Policy on the Prevention of Workplace Discrimination, Harassment, and Retaliation

The Port of The Dalles is committed to a work environment in which all individuals are treated with respect and dignity. Each individual has the right to work in a professional atmosphere that promotes equal employment opportunities and prohibits unlawful discriminatory practices, including harassment. Therefore, Port of The Dalles expects that all relationships among persons will be respectful and professional, free of bias, prejudice and harassment in the workplace, at work related event, or any activity coordinated by or through the organization. This policy applies to all employees, elected officials, board or commission members, volunteers, interns and any other person we interact with in the course of accomplishing the work of the organization.

Port of The Dalles has developed this policy to ensure that all its employees can work in an environment free from unlawful harassment, discrimination and retaliation.Port of The Dalles will make every reasonable effort to ensure that all concerned are familiar with these policies and are aware that any complaint in violation of these policies will be investigated and resolved appropriately.

Discrimination, harassment and retaliation are not acceptable.

Any employee who has questions or concerns about these policies should talk with our primary contact the Executive Director as an alternative you may reach the Port Commission President.

Equal employment opportunity

It is our policy to ensure equal employment opportunity without discrimination or harassment on the basis of race, color, religion, sex, sexual orientation, gender identity or expression, age, disability, marital status, citizenship, national origin, genetic information, or any other characteristic protected by law.

Retaliation

We encourage reporting of all perceived incidents of discrimination or harassment. It is the policy of Port of The Dalles to promptly and thoroughly investigate such reports. We prohibit retaliation against any individual who reports discrimination or harassment or participates in an investigation of such reports.

Sexual Harassment

Sexual harassment constitutes discrimination and is illegal under federal and state laws. For the purposes of this policy, "sexual harassment" is defined, as in the Equal Employment Opportunity

Adopted: ____

Commission Guidelines, as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when, for example: a) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, b) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or c) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Title VII of the Civil Rights Act of 1964 recognizes two types of sexual harassment: a) quid pro quo and b) hostile work environment. Sexual harassment may include a range of subtle and notso-subtle behaviors and may involve individuals of the same or different gender. Depending on the circumstances, these behaviors may include unwanted sexual advances or requests for sexual favors; sexual jokes and innuendo; verbal abuse of a sexual nature; commentary about an individual's body, sexual prowess or sexual deficiencies; leering, whistling or touching; insulting or obscene comments or gestures; display in the workplace of sexually suggestive objects or pictures; and other physical, verbal or Visual conduct of a sexual nature.

Oregon Law provides further protection from sexual assault defined as unwanted conduct of a sexual nature that is inflicted upon a person or compelled through the use of physical force, manipulation, threat, or intimidation.

Harassment

Harassment on the basis of any other protected characteristic is also strictly prohibited. Under this policy, harassment is verbal, written or physical conduct that denigrates or shows hostility or aversion toward an individual because of his or her race, color, religion, sex, sexual orientation, gender identity or expression, national origin, age, disability, marital status, citizenship, genetic information, or any other characteristic protected by law, or that of his or her relatives, friends or associates, and that: a) has the purpose or effect of creating an intimidating, hostile or offensive work environment, b) has the purpose or effect of unreasonably interfering with an individual's work performance, or c) otherwise adversely affects an individual's employment opportunities.

Harassing conduct includes labels, insults or negative stereotyping; threatening, intimidating or hostile acts; demeaning jokes; and written or graphic material that belittles or shows hostility or dislike toward an individual or group that is placed on walls or elsewhere on the employer's premises or circulated in the workplace, on company time or using company equipment by email, phone (including voice messages), text messages, social networking sites or other means.

Reporting an Incident of Harassment, Discrimination or Retaliation

Port of The Dalles encourages reporting of all perceived incidents of discrimination, harassment or retaliation, regardless of the offender's identity or position. Individuals who believe that they

have been the victim of such conduct should discuss their concerns with the Executive Director, or Port Commission President. See the complaint procedure described below.

In addition, we encourage individuals who believe they are being subjected to such conduct to promptly advise the offender that their behavior is unwelcome and to request that it stop. Often this action alone will resolve the problem. We recognize, however, that an individual may prefer to pursue the matter through complaint procedures.

Following receipt of a complaint or concern management will follow-up every three months for one year to ensure no further concerns or retaliation are experienced. Employees should not wait for the management follow-up to share related experiences. If an employee would like the followup to discontinue the follow-up process a request must be submitted in writing to the Executive Director.

Internal Complaint Procedure

Individuals who believe they have been the victims of conduct prohibited by this policy or believe they have witnessed such conduct should discuss their concerns with the Executive Director, if you are unable to reach the primary contact please reach out to Port Commission President. We encourage employees to document the event(s), associated date(s), and potential witnesses.

Port of The Dalles encourages the prompt reporting of complaints or concerns so that quick and helpful action can be taken before relationships become irreparably broken. Early reporting and intervention have proven to be the most effective method of resolving actual or perceived incidents of harassment. However, complaints and concerns may be brought forward within four years of the alleged violation. We encourage employees to document the events, associated dates, and potential witnesses.

Any reported allegations of harassment, discrimination or retaliation will be investigated quickly. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have observed the event(s) or may have other relevant knowledge.

Port of The Dalles will maintain confidentiality throughout the investigatory process to the extent possible with acceptable investigation and appropriate corrective action.

Misconduct constituting harassment, discrimination or retaliation will be dealt with appropriately. Responsive action may include, for example, training, referral to counseling or corrective action such as [Identify potential options: warning, reprimand, withholding of a promotion or pay increase, reassignment, temporary suspension without pay, or termination] as Port of The Dalles believes appropriate under the circumstances.

False and malicious complaints of harassment, discrimination or retaliation (as opposed to complaints that, even if erroneous, are made in good faith) may be the subject of appropriate disciplinary action.

External Complaint Procedure

We encourage employees to bring their concerns and complaints to the organization, and understand that, at times, this may not be the choice of the employee. Below is a list of the external complaint options. Please reach out to the preferred choice to determine the appropriate timelines for their processes.

No employee will be required or invited to sign an agreement requiring the non-disclosure of information related to discrimination or sexual assault as a condition of employment, continued employment, promotion, compensation or the receipt of benefits. An employee may request this type of agreement and, upon request, will be provided at least seven (7) days to change their mind.

PORT OF THE DALLES AGENDA ITEM COVER SHEET

Meeting Date: December 11, 2019

Subject: G-1.) Staff Report

Background:

Andrea and Greg met with Angie Brewer, Tyler Stone, Scott Hege, Steve Harris, and Rich Mays to talk about the Urban Growth Boundary and how "we" (the Port, County, and City) can preserve the option to expand it in the future. This conversation stems from the fact that the majority of the Gorge Commissioners do not want any expansion of the Urban areas, ever. The Port and the County feel that it is vitally important to keep the UGB expansion option available and ensure that that door does not get closed on us by this current Gorge Commission.

Angie and Andrea met with Bill to make some revisions to the marina rules.

Jennifer Toepke's first official day at the Port was November 25th. She got introduced to getting checks signed, is registering for the Oregon Business Leadership Summit and will be joining Mike there, we did a driving tour of The Dalles port area businesses and the marina, and various other office things.

The V&G excavator contractor was on site Friday doing a little bit of work, but the contractor was only there for about 2 hours, then left and did not return today.

Construction has started on the Schmidt/Cameron building behind V&G. It will be another two story, commercial on the 1st floor/residential on the floor, building. Walls were going up today.

The Wasco Economic Development Commission is meeting December 5, but in preparation for that meeting, Carrie Pipinich convened a meeting to discuss local area projects. Mike Courtney and I attended and brought forward the Urban Growth Boundary and Urban Area Boundary expansion as the top priority for the Port. Gary Grossman also advocated for this to be a top priority and when we left the meeting it was sitting in the #2 position behind the Dog River Pipeline project. Since that meeting Carrie is thinking of creating a separate category for the UGB/URA expansion called "Priority Issues" since it not one specific project.

Andrea attended a Risk Management workshop hosted at Mid Columbia Fire and Rescue and put on by Special Districts. They covered many topics from Human Resource risks to cyber risks. It was well done and there was a fairly good attendance.

Community Outreach Team met. There will be a group from The Dalles going to the Oregon business Leadership Summit, including Mike and Jennifer. If anyone else would like to attend please let me know and I will get you registered.

A group has come forward with interest in developing the dog park on the spit of land between the marina and the City dock. They will be bringing a concept to the January meeting.

Andrea will be working with Jill Amery to get some detailed financial information on the impact of the Urban Renewal District to the Port and present this at the January meeting. She will also be talking with Staci and Mike to get some background information on the Urban Renewal Agency so the Commission can have a conversation about the Port's position regarding the City continuing the Urban Renewal Agency. Why Was the agency formed? Has it met its purpose? Etc...
